## Objective Spiritual Strength Self-Assessment — The 7 F's

U.S.M.C. Ministries · Adam "MOOP" Johns · v2, October 2026

**This sheet is a mirror, not a report card.** It belongs to you. Keep it. If you share it, share it with one brother you trust. No church, ministry, employer, or command should collect it.

### The Gate (not scored)

"Examine yourselves as to whether you are in the faith. Test yourselves." — 2 Corinthians 13:5 (NKJV)

Have you repented of your sin and trusted Jesus Christ alone for your salvation?

☐ Yes ☐ Not sure ☐ No

If you checked **Not sure** or **No**, stop here. Take this sheet to the brother or pastor who gave it to you and talk with him first. The rest of this sheet measures a man's walk with Christ. It is not the way in.

### How to score

**None of these points earn anything with God.** A man stands on Christ's record, not his own. This sheet is for seeing where you're slipping, not for proving you're good enough.

- Score only what is true **today**, in the time window given.
- If a line does not apply to you (for example, no wife or no children at home), mark it **N/A** and subtract its points from that category's possible total.
- **Your score = points earned ÷ points possible × 100.**
- Then circle your **lowest category**. The total flatters you. Your lowest category tells you what to work on for the next 30 days.

### 1. Family — 50 points (*past week unless noted*)
